

Why Exist...When You Can Live...30 Days At A Time!

Join the A.S.P.I.R.E
Movement and Live!

Several months ago, I watched a TED Talk titled, *"Try Something New for 30 Days,"* by Matt Cutts. During his talk, Matt shared with the audience that several years ago he felt like he was stuck in a rut and decided to try something new for 30 days. Matt makes a great point by saying, *"I guarantee you the next 30 days are going to pass whether you like it or not, so why not think about something you have always wanted to try and give it a shot for the next 30 days."*

Matt's video has inspired me to start a movement that will profoundly change people's lives and help them A.S.P.I.R.E. Let me ask you, *"How do you eat an elephant?"* Yes, I know you already know the answer, *"one bite at a time."* Why not apply the same concept to your life? So, I ask you, *"How can you create the life you want and deserve?"* Here's the answer: *"30 days at a time."*
